

Dear Members,

As we mark the fifth anniversary of the Crown Society of Canada, I wish to take a moment to reflect on the remarkable journey we have undertaken together since our founding in 2021.

What began as a small initiative driven by a shared commitment to the Canadian Crown has grown into a national organization bringing together individuals from across the country who believe deeply in the values of service, tradition, and constitutional continuity that the Crown represents. Over the past five years, our Society has steadily expanded its presence, strengthened its institutional partnerships, and contributed meaningfully to the promotion and understanding of Canada's constitutional monarchy.

This progress would not have been possible without the dedication of our members. From coast to coast, your commitment, professionalism, and passion have enabled the Society to grow beyond what many might have imagined in its earliest days. Whether through local initiatives, national projects, or the strengthening of our relationships with viceregal institutions, each contribution has helped shape the Society into what it is today.

On behalf of the leadership of the Crown Society of Canada, I extend my sincere gratitude to each of you for your trust, your service, and your continued commitment to our shared mission. Together, we look ahead with confidence to the next chapter of our Society's history.

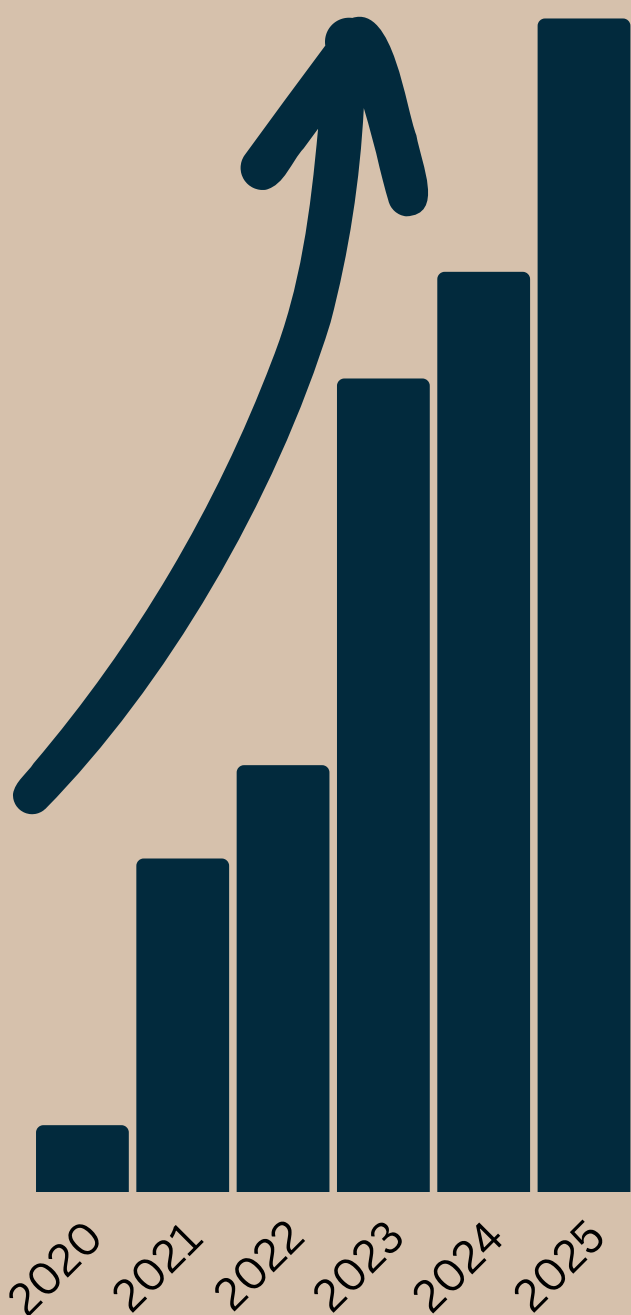

LCdr Thomas Morin-Cabana, MStJ, BMAsC,
Founder & National President

MAKE A DONATION TO THE CROWN SOCIETY OF CANADA!

As you know, the Crown Society of Canada is a non-profit, volunteer-based organization whose mission is to promote the recognition and advancement of Canada's constitutional monarchy and to benefit its members. In addition to other monarchist institutions in Canada, the Society has, among others, the following responsibilities:

- to support the representatives of His Majesty King Charles III, King of Canada;
- to protect Canadian heritage through the defence of its constitutional monarchy;
- to offer Canadians a strong, dynamic, and representative organization through which they may meet, exchange ideas, and collectively support and protect our monarchical institutions.

In order to continue fulfilling its mission, particularly in supporting its members, the Society is seeking your financial contribution for various upcoming projects.

Furthermore, given that the Society's sole source of funding comes from annual membership fees, we encourage you to promote our organization within your network. Each of you may put forward the candidacy of a new member, which will strengthen our structure, energize our ranks, and elevate us as a distinct society.

In summary, your contribution is essential not only to the financial health of the Society but also to its growth. It provides the resources needed to continue our development while offering you meaningful benefits. Please give generously in support of the Society's cause.
